

# Story Review

Reviewing stories helps us to identify the key messages in them. When we look at a set of reviews from different stories we can then begin to see what key themes and trends emerge from them.

Look at the story or stories allocated to you, and complete this task sheet for each individual story. You can work on your own or in pairs/small groups to complete the task.

<b>Story Title</b>	
<b>Link to Story</b>	

<p><b>Overview of Story</b></p> <p>Write approximately 5 - 8 sentences that <u>describe</u> what the person says in their story. Try to give the <u>overall picture</u> of what they are describing, how they <u>feel</u> and any key <u>opinions</u>.</p>

<p><b>Extract</b></p> <p>Select an extract/extracts from the story that highlights its key message(s)/point(s).</p>
